HAV' DOR INDIA BVI Ltd

COMPANY SHOWROOM

Modern Aesthetics

Minimalism

Light luxury and versatile

COMPANY OVERVIEW

HAV' DOR is a luxury Indian brand specializing in the design and manufacturing of high-end wooden doors, tailored for discerning individuals who seek both quality and sophistication. As a pioneer in the premium Indian market, HAV' DOR combines exceptional design, exquisite craftsmanship, and an unparalleled attention to detail to deliver unique door solutions for mansions, villas, boutique hotels, and high-end commercial spaces.

HAV' DOR is more than a door designer; it is a guardian of homes and hearts. Each door embodies elegance, warmth, and a sense of belonging, where life and art converge.

BRAND PHILOSOPHY

HAV' DOR stands for "The Door to Your Home," symbolizing prestige, safety, and connection. With the philosophy of "LET' S CONNECT" , we aim to link spaces and emotions, luxury and functionality, meeting the ultimate expectations of elite clients for sophisticated living.

TARGET CLIENTS

- Owners of luxury villas and premium residential properties
- High-end commercial spaces (e.g., flagship stores, premium offices)
- Boutique hotels and luxury resort developers
- Prominent figures in politics, business, and the arts

PRODUCT FEATURES

1.Premium Materials

Sourced from the finest global timber, ensuring natural grain, smooth textures, and unmatched durability.

2.Luxurious Design

Inspired by Indian traditional art and infused with contemporary minimalism, our designs reflect distinctive taste.

3.Exceptional Craftsmanship

Combining German artisanal techniques with advanced manufacturing technology, each door is a masterpiece of precision and quality.

4. Personalized Customization

Offering end-to-end bespoke services, from conceptual design to on-site installation, creating one-of-a-kind artistic pieces for clients.

5.Sustainability & Eco-Friendliness

Committed to sustainable development by using eco-friendly materials and processes, all our products meet global environmental standards.
